

ALZHEIMER'S AUSTRALIA NSW

ABN 27 109 607 472

FINANCIAL REPORT

**FOR THE YEAR ENDED
30 JUNE 2013**

DIRECTORS' REPORT

The Directors present this report on the entity for the financial year ended 30 June 2013.

Directors

The names of each person who has been a director during the year and to the date of this report are:

The Hon. Professor Peter Erne Baume AC
Mr Alistair Garrard Bell
Ms Lucille Barbara Bloch
Mr Jeremy (Jerry) Kitson Ellis AO (appointed 22 November 2012)
Mr Barry James Groundwater
Mr Ian Watts Horton
Ms Gabrielle Kibble AO
Dr Richard Matthews
Mr John Gerard Morrison
Mr Nicholas Kevin Francis O'Neill
Ms Catharine Josephine Retter
Ms Eesvarathevi (Eesa) Witt

Directors have been in office since the start of the financial year to the date of this report unless otherwise stated.

Company Secretary

The following person held the position of Company Secretary during the financial year:

The Hon. John Arthur Watkins – MA, L.L.B., Dip Ed.

Principal Activities

The principal activity of the entity during the financial year was:

To provide services to Australians living with dementia through the provision of support, education, awareness and advocacy programs.

No significant changes in the nature of the entity's activity occurred during the financial year.

Operating Results

The net deficit of the entity for the financial year amounted to \$11,026 (2012: Surplus \$290,396).

DIRECTORS' REPORT

Review of Operations

The net deficit for the financial year was a turnaround of \$301,422 from the previous financial year. The main contributing factors to this result were:

- (a) bequest income of \$299,240 a decrease of \$351,527;
- (b) State/Federal and non-government grants amounted to \$7,225,510, compared to \$5,863,090 received in the previous year;
- (c) capital grants from both government and non-government sources amounted to \$11,100, compared to \$337,936 in the previous year;
- (d) net losses on sale of investments of \$313,131 compared to \$19,471 in the previous year;
- (e) impairment of investments write-back upon sale of \$109,120, compared to impairment of \$344,992 in the previous year, and
- (f) employment benefits expense increased by \$940,478 in the delivery of additional service programs.

State and Federal Government grants received increased by 19.4% to \$6,710,711. The percentage of government grants to total revenue, excluding bequests and loss on sale of investments, of 67.8% compares to 65.4% for 2011/2012 and 64.9% for 2010/2011. The increase in grant revenue reflected the awarding of new recurrent grants and non-recurrent grants which commenced during the financial year.

Objectives

The company has a three year strategic planning cycle. The strategic plan for the years 2012 to 2015 has been reviewed, with a 5th major goal area added.

The current strategic plan has 5 major goal areas:

- (i) For the general public to aim to build a community that understands effective risk-reduction strategies, where the stigma around dementia is reduced.
- (ii) For people with memory concerns to aim for a more timely diagnosis with a smooth referral to AlzNSW for early intervention support.
- (iii) For people living with dementia and their carers to aim to significantly improve the quality of life, through service improvement initiatives and partnerships with other organisations.
- (iv) To build a strong organisation and sector to support all these activities, to aim to increase funding to AlzNSW and the dementia sector.
- (v) In order to cope with the rapidly increasing dementia challenge AlzNSW aims to significantly grow the organisation's capacity and outreach.

Strategy for achieving the objective and performance measures

Each of these goals has a specific set of actions identified to achieve the goal. A report on progress against each action is presented to the Board each quarter.

DIRECTORS' REPORT

The company is required to report regularly to funding bodies on progress against contractual work plans, and financial outcomes. The Board also receives monthly financial reports against agreed budgets and quarterly reports from departmental managers on activities.

The education programs offered by the company are offered to professionals in the aged care industry and also to family carers with the aim of improving the care and support to people living with dementia.

The conduct of regular Consumer Advisory Committees across NSW, social research into the issues confronting people living with dementia, and the engagement of parliamentarians through the Parliamentary Friends of Dementia meetings are all methods of empowering consumers and advocating for more support and services.

The role of media, marketing and public relations is to increase recognition of the role of the company in the care of people living with dementia and the nature and scale of the condition. The effectiveness of these activities is evaluated by reference to a media monitoring service and market research.

The Your Brain Matters program is a community education program that teaches dementia risk reduction. This program is regularly presented to community groups and clubs and leaflets are available to the public from the two Memory Vans that visit metropolitan and regional community venues.

In terms of sustainability, the key issues are diversification of income, quality accreditation and strong financial management. The company retains quality accreditation through QMS. Also the structure and strategy of the fundraising department has been reviewed and a new direction established and has been implemented. Financial issues are regularly reported through the Investment Advisory Committee, the Audit and Risk Committee and to the Board of Directors.

Information on Directors

**The Hon. Professor Peter Erne
Baume AC**

Director (Chairman non-executive to
22 November 2012)

Qualifications

MB, BS, MD, Hon DUniv (ANU), Hon LittD
(USQ), FRACP, HON FRACGP, FAFPHM

Experience

AUDITOR'S INDEPENDENCE DECLARATION BY JOHN BRESOLIN TO THE DIRECTORS OF ALZHEIMER'S AUSTRALIA NSW

As lead auditor of Alzheimer's Australia NSW for the year ended 30 June 2013, I declare that, to the best of my knowledge and belief, there have been no contraventions of:

- the auditor independence requirements of the Corporations Act 2001 in relation to the audit; and
- any applicable code of professional conduct in relation to the audit.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards - Reduced Disclosure Requirements, including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board ("AASB"), the requirements of the *Corporations Act 2001* and the *Charitable Fundraising Act 1991*.

The financial statements are for Alzheimer's Australia NSW (the Company) as an individual entity, incorporated and domiciled in Australia. Alzheimer's Australia NSW is a not for profit unlisted public company limited by guarantee.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial report was authorised for issue in accordance with a resolution of the Board of Directors on 26 September 2013.

Basis of Preparation

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

These financial statements do not comply with International Financial Reporting Standards as issued by the International Accounting Standards Board ("IASB").

In preparing the financial report the company has applied the exemptions available to non-profit entities.

The financial report is presented in Australian Dollars, which is the company's functional and presentation currency.

Accounting Policies

(a) Revenue

Grant revenue is recognised in the statement of profit and loss and other comprehensive income when the entity obtains control of the grant and it is probable that the economic benefits gained from the grant will flow to the entity and the amount of the grant can be measured reliably.

If conditions are attached to the grant which must be satisfied before it is eligible to receive the contribution, the recognition of the grant as revenue will be deferred until those conditions are satisfied.

When grant revenue is received whereby the entity incurs an obligation to deliver economic value directly back to the contributor, this is considered a reciprocal transaction and the grant revenue is recognised in the statement of financial position as a liability until the service has been delivered to the contributor, otherwise the grant is recognised as income on receipt.

Donations and bequests are recognised as revenue when received unless they are designated for a specific purpose, where they are carried forward as prepaid income on the statement of financial position.

Interest revenue and distribution income from investments is recognised on a proportional basis, taking into account the interest rates applicable to the financial assets.

Dividends and distributions are brought to account at the time entitlement is established.

Other revenue is recognised when it is received or when the right to receive payment has been established.

All revenue is stated net of the amount of goods and services tax (GST).

(b) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost less, where applicable, accumulated depreciation and impairment losses.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(b) Property, Plant and Equipment (Continued)

Property (continued)

The building on leasehold land is carried at cost less accumulated depreciation.

Freehold land and buildings that have been contributed at no cost, or for nominal cost are valued at the fair value of the asset at the date it is acquired.

Plant and Equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining recoverable amounts.

Plant and equipment that have been contributed at no cost, or for nominal cost are valued at the fair value of the asset at the date it is acquired.

Depreciation

The depreciable amount of all fixed assets including building and capitalised lease assets, but excluding freehold land, are depreciated on a straight-line basis, with the exception of motor vehicles, over their estimated useful lives to the economic entity commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates and methods used for each class of depreciable asset are:

Class of Fixed Asset	Depreciation/ Amortisation Rate	Depreciation Basis
Buildings	2.06% - 2.42%	Straight line
Refurbishments on leasehold land	10 - 27%	Straight line
Leasehold land	2%	Straight line
Leasehold improvements	20% - 33%	Straight line
Furniture and equipment	13 -27%	Straight line
Motor vehicles	22.5%	Diminishing value

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each end of reporting period date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the statement of profit and loss and other comprehensive income.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(c) Leases

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

(d) Financial Instruments

Recognition and initial measurement

Financial instruments, incorporating financial assets and financial liabilities, are recognised when the entity becomes a party to the contractual provisions of the instrument. Trade date accounting is adopted for financial assets that are delivered within timeframes established by marketplace convention.

Financial instruments are initially measured at fair value plus transaction costs where the instrument is not classified as at fair value through profit and loss. Transaction costs related to instruments classified as at fair value through profit or loss are expensed to the statement of profit and loss and other comprehensive income immediately. Financial instruments are classified and measured as set out below.

Derecognition

Financial assets are derecognised where the contractual rights to receipt of cash flows expires or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised where the related obligations are either discharged, cancelled or expire. The difference between the carrying value of the financial liability extinguished or transferred to another party and the consideration paid, including the transfer of non cash assets or liabilities assumed, is recognised in the statement of profit and loss and other comprehensive income.

Classification and subsequent measurement

(i) Financial assets at fair value through profit or loss

Financial assets are classified at fair value through profit or loss when they are either held for trading for the purpose of short term profit making, derivatives not held for hedging purposes, or designated as such on initial recognition to eliminate or significantly reduce an accounting mismatch or to enable performance evaluation where a group of financial assets is managed by key personnel on a fair value basis in accordance with a documented risk management or investment strategy. Realised and unrealised gains and losses arising from changes in fair value are included in profit or loss in the period in which they arise.

(ii) Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost using the effective interest rate method.

Receivables are generally settled from customers within 30 days and are carried at amounts due.

Other debtors to be settled within 30 days are carried at amounts due.

(iii) Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the entity's intention to hold these investments to maturity. Any held-to-maturity investments held by the entity are carried at fair value.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(d) Financial Instruments (Continued)

(iv) Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that are either designated as such or that are not classified in any other category. After initial recognition fair value movements are recognised directly in the share revaluation reserve. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments. Cumulative unrealised gains or losses previously reported in the share revaluation reserve is recognised in the statement of profit and loss and other comprehensive income when the asset is derecognised or impaired.

(v) Financial liabilities

Non-derivative financial liabilities (excluding financial guarantees) are subsequently measured at amortised cost using the effective interest rate method.

Trade accounts payable are normally settled within 30 days.

Fair value

Investments in both listed companies and managed funds are carried at their fair value, which has been determined based on current bid prices for quoted investments. Unrealised increments or non-impaired decrements are held in the investment revaluation reserve.

Fixed interest securities are carried at cost.

Impairment

At each reporting date, the entity assesses whether there is objective evidence that a financial asset or group of financial assets has been impaired. In the case of available-for-sale financial instruments, a prolonged decline in the value below cost of the instrument is considered to determine whether an impairment has arisen. Impairment losses are recognised in the statement of profit and loss and other comprehensive income.

(e) Impairment of assets

Under AASB 136 Aus6.2, the entity applies the depreciated replacement cost method to determine impairment. The current replacement cost of an asset less, where applicable, accumulated depreciation calculated on the basis of such cost to reflect the already consumed or expired future economic benefits of the assets.

(f) Employee Benefits

Provision is made for the entity's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee benefits expected to be settled within one year together with benefits arising from wages, salaries and annual leave which may be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on costs. Other employee benefits payable later than one year have been measured at the net present value.

Contributions are made by the entity to the employee's elected superannuation fund and are charged as expenses when incurred.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks or financial institutions, other short-term highly liquid investments in money market instruments with original maturities of three months or less.

(h) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of expense. Receivables and payables in the Statement of Financial Position are shown inclusive of GST.

Cash flows are presented in the Statement of Cash Flows on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

(i) Unexpended Grants and Monies in Advance

The entity receives grant monies, either from government or private funding, to fund projects either for contracted periods of time or for specific projects, irrespective of the period of time required to complete those projects. It is the policy of the entity to treat grant monies as unexpended grants in the statement of financial position where the entity is contractually obliged to provide the services in a subsequent financial period to when the grant is received or in the case of specific project grants where the project has not been completed.

(j) Contributions

Alzheimer's Australia NSW receives non-reciprocal contributions from the government and other parties for no or nominal value. These contributions are recognised at cost on the date of acquisition and acknowledged as Gifts in Kind or Free Use of Venue in the Annual Report.

(k) Income Tax

No provision for income tax has been raised as the entity is exempt from income tax under Division 50-B of the *Income Tax Assessment Act 1997*.

(l) Provisions

Provisions are recognised when the entity has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured. Provisions recognised represent the best estimate of the amounts required to settle the obligation at the end of the reporting period.

(m) New, revised or amending Accounting Standards and Interpretations adopted

The company has early adopted AASB 1053 "Application of Tiers of Australian Accounting Standards" and AASB 2010-2 "Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements". No other new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have been early adopted.

AASB 1053 Application of Tiers of Australian Accounting Standards

The company has early adopted AASB 1053 from 1 July 2011. This standard establishes a differential financial reporting framework consisting of 2 Tiers of reporting requirements for preparing general purpose financial statements, being Tier 1 Australian Accounting Standards and Tier 2 Australian Accounting Standards - Reduced Disclosure Requirements. The company being classed as Tier 2 continues to apply the full recognition and measurements requirements of Australian Accounting Standards with substantially reduced disclosure in accordance with AASB 2010-2.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(m) New, revised or amending Accounting Standards and Interpretations adopted (continued)

AASB 2010-2 Amendments to Australian Accounting Standards arising from Reduced Disclosure Requirements.

The company has early adopted AASB 2010-2 from 1 July 2011. These amendments make numerous modifications to a range of Australian Accounting Standards and Interpretations, to introduce reduced disclosure requirements to the pronouncements for application by certain types of entities in preparing general purpose financial statements. The adoption of these amendments has significantly reduced the company's disclosure requirements.

The adoption of these Accounting Standards and Interpretations did not have any impact on the financial performance or position of the company.

(n) Australian Accounting Standards and Interpretations issued not yet effective

The following new and amended accounting standards and interpretations have been issued, but are not mandatory for the financial year ended 30 June 2013. They have not been adopted in preparing the financial statements for the year ended 30 June 2013 and are expected to impact the company in the period of initial application. In all cases the company entity intends to apply these standards from application date as indicated below.

AASB 9 Financial Instruments (issued December 2009 and amended December 2010), AASB 2012-6 Amendments to Australian Accounting Standards - Mandatory Effective Date of AASB 9 and Transition Disclosures (issued September 2012) - effective for annual reporting periods beginning on or after 1 January 2015.

AASB 9 amends the requirements for classification and measurement of financial assets. The available-for-sale and held-to-maturity categories of financial assets in AASB 139 have been eliminated. Under AASB 9, there are three categories of financial assets:

1. Amortised cost
2. Fair value through profit or loss
3. Fair value through other comprehensive income.

The following requirements have generally been carried forward unchanged from AASB 139 Financial Instruments: Recognition and Measurement into AASB 9:

- Classification and measurement of financial liabilities; and
- Derecognition requirements for financial assets and liabilities.

However, AASB 9 requires that gains or losses on financial liabilities measured at fair value are recognised in profit or loss, except that the effects of changes in the liability's credit risk are recognised in other comprehensive income.

AASB 2011-4 Amendments to Australian Accounting Standards to Remove Individual Key Management Personnel Disclosure Requirements (issued July 2011) – effective for annual reporting periods beginning on or after 1 July 2013.

AASB 2011-4 deletes the disclosure requirements for individual key management personnel from AASB 124 Related Party Disclosures.

When this standard is first adopted for the year ended 30 June 2014, individual key management personnel disclosures relating to reconciliations of their option and shareholding balances, loans, and other transactions and balances, will no longer be presented in the notes to the financial statements under AASB 124. Instead, Regulation 2M.3.03(1) of the Corporations Act 2001 requires that these disclosures be included as part of the audited remuneration report.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

(n) Australian Accounting Standards and Interpretations issued not yet effective (continued)

AASB 119 Employee Benefits (reissued September 2011) – effective for annual reporting periods beginning on or after 1 January 2013.

The main changes under AASB 119 include:

- Employee benefits expected to be settled (as opposed to due to settled under current standard) wholly within 12 months after the end of the reporting period are short-term benefits, and therefore not discounted when calculating leave liabilities. Annual leave not expected to be used wholly within 12 months of end of reporting period will in future be discounted when calculating leave liability.
- Elimination of the 'corridor' approach for deferring gains/losses for defined benefit plans
- Actuarial gains/losses on remeasuring the defined benefit plan obligation/asset to be recognised in OCI rather than in profit or loss, and cannot be reclassified in subsequent periods
- Subtle amendments to timing for recognition of liabilities for termination benefits

The company currently calculates its liability for annual leave employee benefits on the basis that it is due to be settled within 12 months of the end of the reporting period because employees are entitled to use this leave at any time. The amendments to AASB 119 require that such liabilities be calculated on the basis of when the leave is expected to be taken, i.e. expected settlement. The consolidated entity has yet to quantify the impact of adopting AASB 119.

(o) Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

(p) Critical Accounting Estimates and Judgments

The directors evaluate estimates and judgments incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the entity.

Key estimates - Impairment:

The entity assesses impairment at each reporting date by evaluating conditions specific to the entity that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Fair value less costs to sell or current replacement cost calculations performed in assessing recoverable amounts incorporate a number of key estimates.

Key judgments:

Provision for impairment:

After review of all receivables and investments it was assessed that an impairment of investments amounting to \$344,992 was required to be made at 30 June 2012. Of this amount \$109,120 was reversed in 2013 following the part sale of the impaired assets.

Non-current Deferred Income

Classification of deferred revenue as non-current is determined by management on a project by project basis, taking into account spend to date and estimated time to completion. As at 30 June 2013, \$863,875 (2012: \$1,550,348) was classified as non-current.

(q) Economic Dependence

Alzheimer's Australia NSW provides services which are put to tender by the Australian Department of Health and Ageing and the New South Wales Department of Family & Community Services Ageing, Disability & Home Care for the majority of its revenue used to operate the business, and to that extent it is dependent for its revenue on the Australian and State Government. At the date of this report the Board of Directors has no reason to believe either Department will not continue to support Alzheimer's Australia NSW.

Other revenue is derived from investment income, course fee income, donations, bequests and membership fees.

NOTE 11: PROVISIONS (Continued)

Provision for Long-Term Employee Benefits

A provision has been recognised for employee entitlements relating to long service leave. Long service leave calculations are based on historical data. Due to a change in the Workplace Agreement all employees are entitled to be paid their entitlement to long service leave pro-rata after the completion of five years service, following which the provision for long service leave is now deemed to be a current liability for those employees. The measurement and recognition criteria relating to employee benefits have been included in note 1 to this report.

<i>Expenditure ratio</i>				
= Total cost of services/Total operating Expenditure	7,366,465	10,002,647	74%	79%
<i>Income ratio</i>				
= Total cost of services/Total operating Income	7,366,465	9,896,392	74%	79%

NB: Operating income excludes bequests and realised investment gains/losses.

NB: Cost of services includes all costs related to providing services to people living with dementia.

NOTE 15: RELATED PARTIES

Board of Directors

The names of each person holding the position of members of the Board of Directors of the entity during the year are as follows:

Mr Jeremy Ellis AO (Chairman appointed 22 November 2012)	Mr John Morrison
Professor Peter Baume AC	Dr Richard Matthews
Mr Alistair Bell	Mr Nicholas O'Neill
Ms Lucille Bloch	Ms Catharine Retter
Mr Barry Groundwater	Ms Eesvarathevi (Eesa) Witt
Mr Ian Horton	
Ms Gabrielle Kibble AO	

The members of the Board of Directors did not receive any remuneration, superannuation or retirement payments from the entity. No member of the Board of Directors has entered into a material contract with the entity since the beginning of the financial year and there were no material contracts involving their interests at year end.

During the year ended 30 June 2013, the company received donations totalling \$9,690 on behalf of Alzheimer's Australia Research Limited, for whom Mr John Morrison acts as a Board member, and the representative of Alzheimer's Australia NSW, and in which Alzheimer's Australia NSW has no direct or indirect interest.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013

NOTE 16: KEY MANAGEMENT PERSONNEL COMPENSATION

Key Management Personnel

(a) Directors

No Director received remuneration of any form for the financial years ended 30 June 2013 and 30 June 2012. For a list of Directors refer to note 14 - Board of Directors

(b) Other Key Management Personnel

John Watkins (Chief Executive Officer)

Chris Champ (General Manager, Corporate Services)

Anneliese Coghlan (General Manager, Human Resources and Volunteering)

Simon Crowson (General Manager, Fundraising)

Robyn Faine (General Manager, Services)

Andrew Mills (General Manager, Marketing & Communications)

Brendan Moore (General Manager Policy, Research and Information)

Sarah Price (General Manager, Media)

	2013	2012
	\$	\$
Aggregate compensation	<u>1,115,744</u>	<u>894,905</u>

NOTE 17: EVENTS SUBSEQUENT TO REPORTING DATE

There have been no material events that would significantly affect the accounts of the company in an adverse manner.

The market value of investments in listed corporations at 20 September 2013 is \$3,513,067

NOTE 18: CONTINGENT LIABILITIES

The company is not subject to any material contingent liabilities at reporting date.

NOTE 19: LEASE COMMITMENTS

Lease payments on rented property during the financial year were \$315,747 (2012: \$307,409) with future annual commitments of \$524,531 (2012: \$653,260) of which \$293,447 is for the 2013/2014 financial year.

The property lease commitments are non-cancellable operating leases contracted for but not capitalised in the financial statements with an original five-year term for the major property lease. Increases in lease commitments may occur in line with CPI, with such estimated increases factored in.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 JUNE 2013

NOTE 20: INVESTMENT REVALUATION RESERVE

The investments revaluation reserve records revaluation increments and decrements, that do not represent impairment write-downs, that relate to financial assets that are classified as available-for-sale.

John Morrison

Dated at North Ryde this 26th day of September 2013

INDEPENDENT AUDITOR'S REPORT

To the members of Alzheimer's Australia NSW

Report on the Financial Report

We have audited the accompanying financial report of Alzheimer's Australia NSW, which comprises the statement of financial position as at 30 June 2013, the statement of profit or loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the directors' declaration.

Directors' Responsibility for the Financial Report

The directors of the company are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards - Reduced Disclosure Requirements, the *Corporations Act 2001* and the *Charitable Fundraising Act 1991* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Alzheimer's Australia NSW, would be in the same terms if given to the directors as at the time of this auditor's report.

Opinion

In our opinion the financial report of Alzheimer's Australia NSW is in accordance with the *Corporations Act 2001*, including:

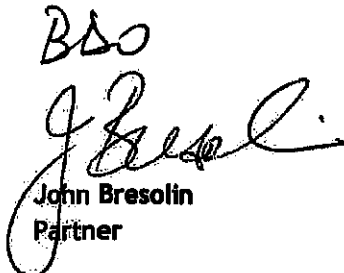

- (a) giving a true and fair view of the company's financial position as at 30 June 2013 and of its performance for the year ended on that date; and
- (b) complying with Australian Accounting Standards - Reduced Disclosure Requirements and the Corporations Regulations 2001.

Report on Other Legal and Regulatory Requirements

We also report that:

- (a) the financial report gives a true and fair view of the financial result of fundraising appeals for the year ended 30 June 2013, as required by the *Charitable Fundraising Act 1991*;
- (b) the accounting and associated records of Alzheimer's Australia NSW have been kept in accordance with the *Charitable Fundraising Act 1991* and the Regulations for the year ended 30 June 2013;
- (c) money received as a result of fundraising appeals conducted by Alzheimer's Australia NSW during the year ended 30 June 2013 has been properly accounted for and applied in accordance with the *Charitable Fundraising Act 1991* and the Regulations; and
- (d) at the date of this report, there are reasonable grounds to believe that Alzheimer's Australia NSW will be able to pay its debts as and when they fall due.
