

About us

Dementia Australia is the source of trusted information, education and services for Australians living with dementia, and their carers. We are here to support people impacted by dementia, and to enable them to live as well as possible.

No matter how you are impacted by dementia or who you are, we are here for you.

Memory changes

Where can I go for help?

- a doctor
- a nurse
- a health care worker
- give us a call on **1800 100 500**.

National Dementia Helpline
1800 100 500

When you have **memory changes**, you can have:

difficulty completing **daily tasks**

confusion about **time and location**

problems with **finding the right word**

problems with **handling money**

difficulty **judging danger**

changes in **mood and behaviour**

problems **losing things.**

When memory changes affect your life, **it's important to get it checked out.**
