Dementia Care

Alzheimer’s Australia NSW is a Registered Training Organisation that provides continuing professional development (CPD) education and non-accredited education for staff within the residential aged care, community, health and allied settings. Quality programs are specifically designed and delivered upon request either at your facility or various locations around NSW.

MEANINGFUL ENGAGEMENT IN ACTIVITIES FOR PEOPLE WITH DEMENTIA

The session is designed to provide staff with the skills to engage people living with dementia in activities that will provide meaning and purpose to their day.
It will assist staff with ideas and resources when providing activity programming in residential aged care, day programs or those providing support to clients living in the community.
It will provide practical examples of activities incorporating Montessori principles in dementia care.
